Debora's gift is humor and her passion is sharing the joy of the Lord. When she's not slaving over a hot computer or sharing her offbeat brand of wit and near wisdom, Debora works as an occupational therapist and adores swatting a little ball around a tennis court. A lifelong resident of Florida and retired piano teacher, Debora has two grown children and one husband who will never grow up. They live, love and laugh in central Florida with their desperately wicked pooch, Fenway.
